

**Living
in the Shadow
of Babel**

The way of Babel

The way of the many

– false sense of security

The way of status

– false sense of significance

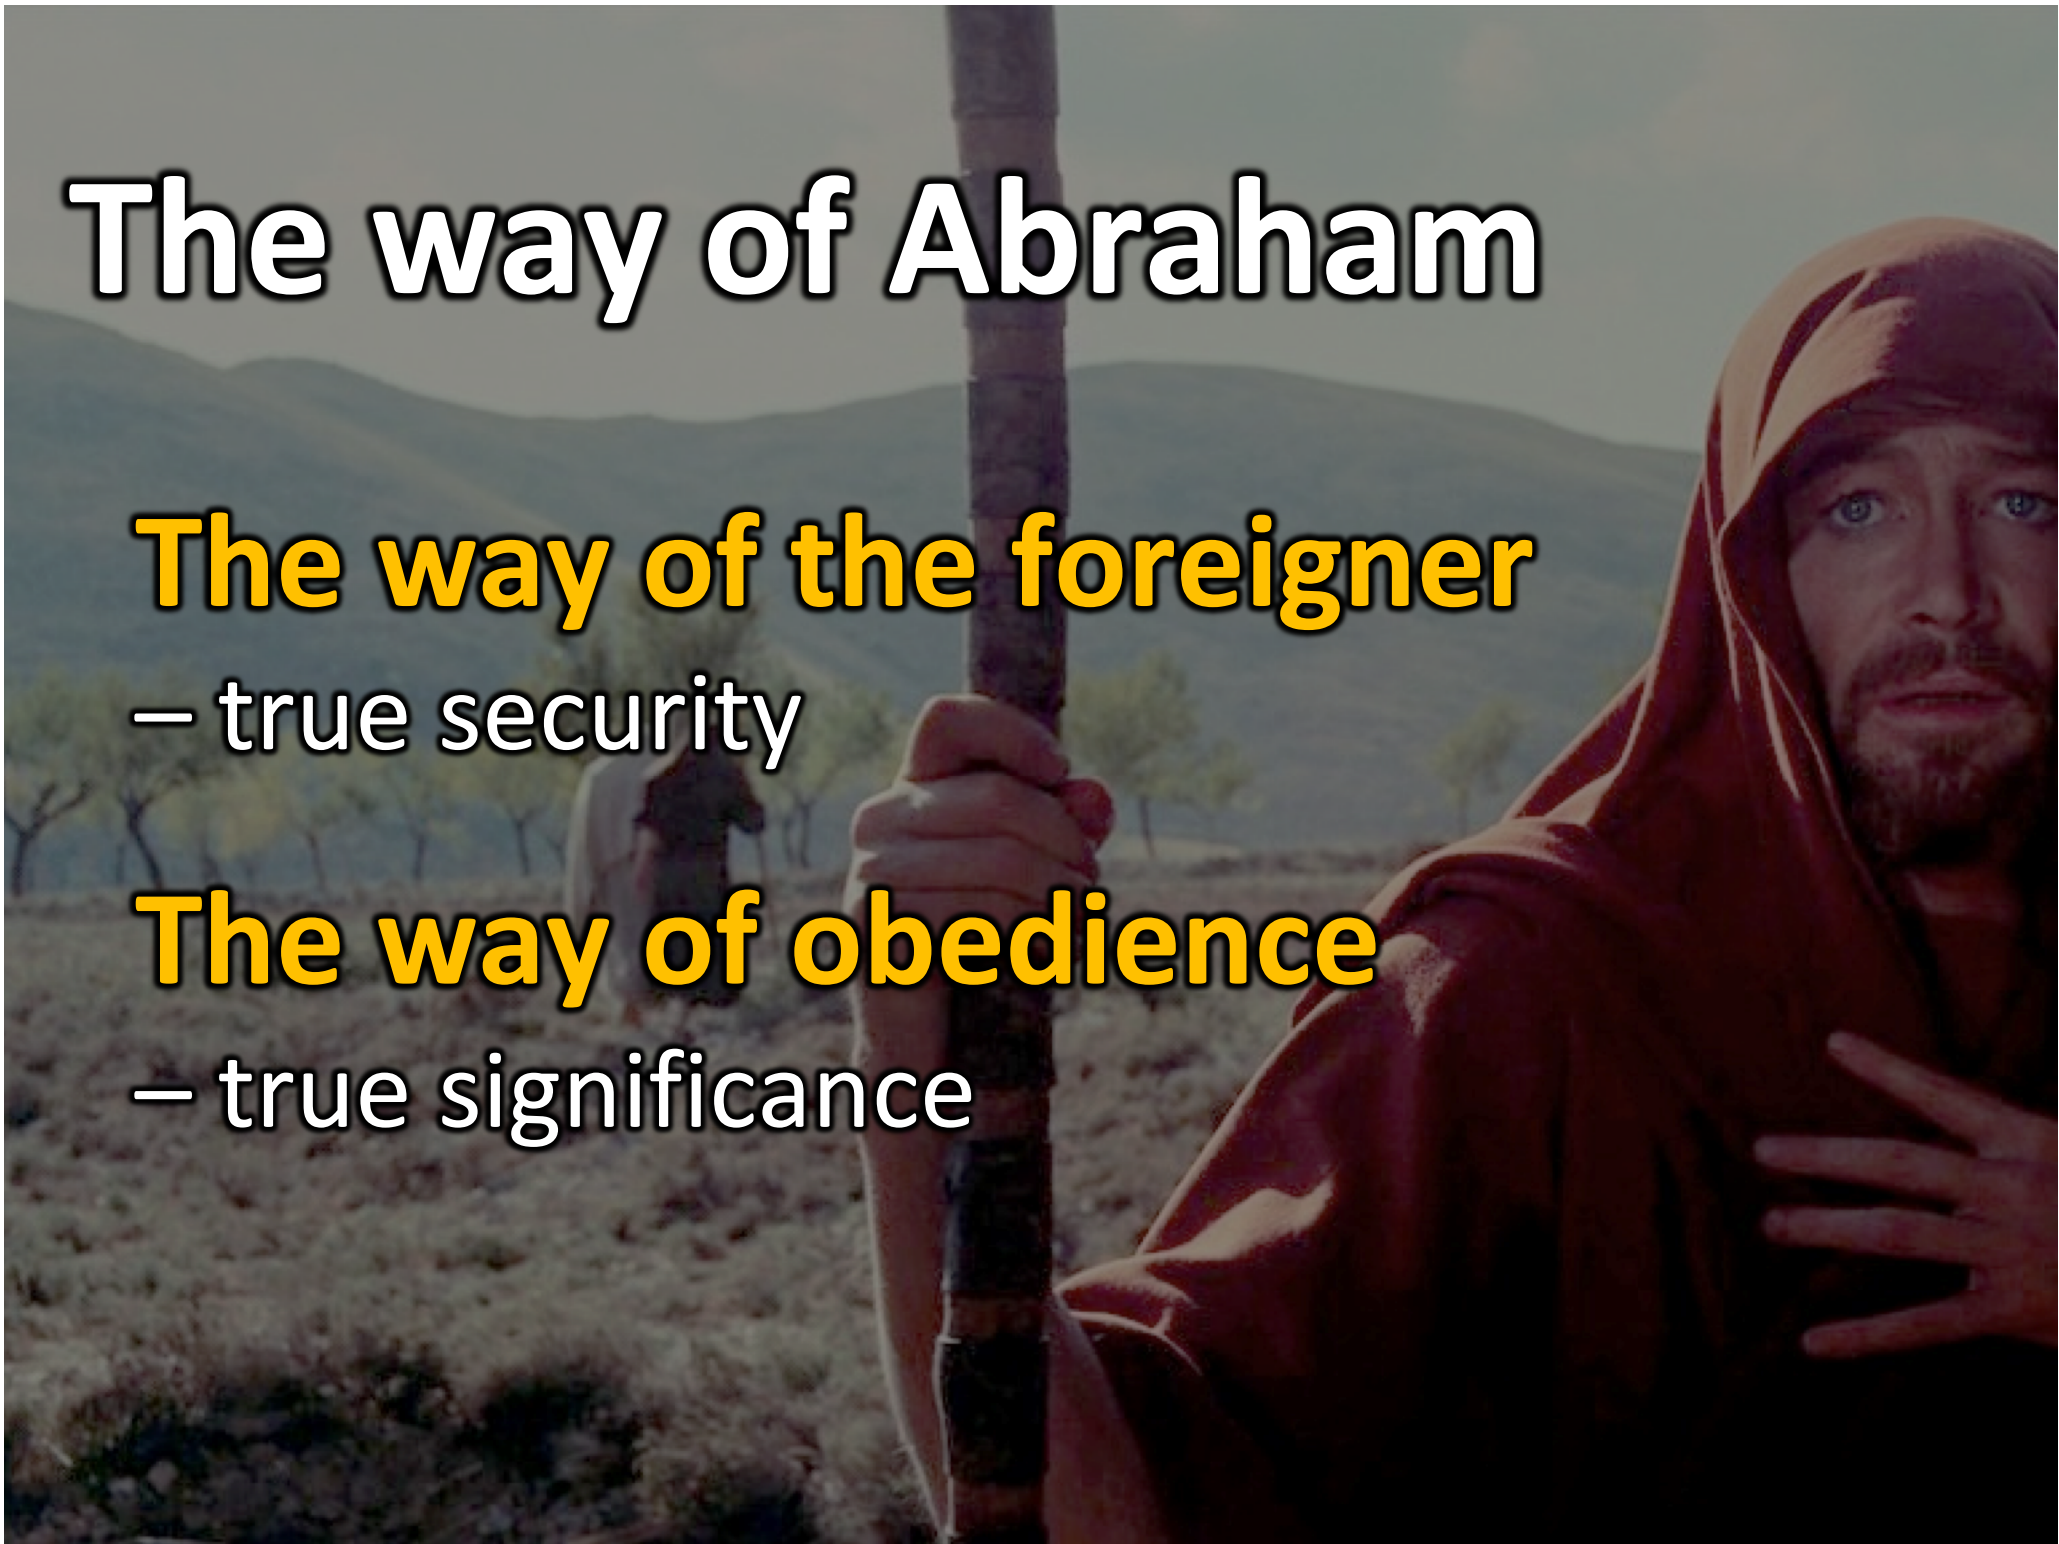

The way of Abraham

The way of the foreigner

– true security

The way of obedience

– true significance

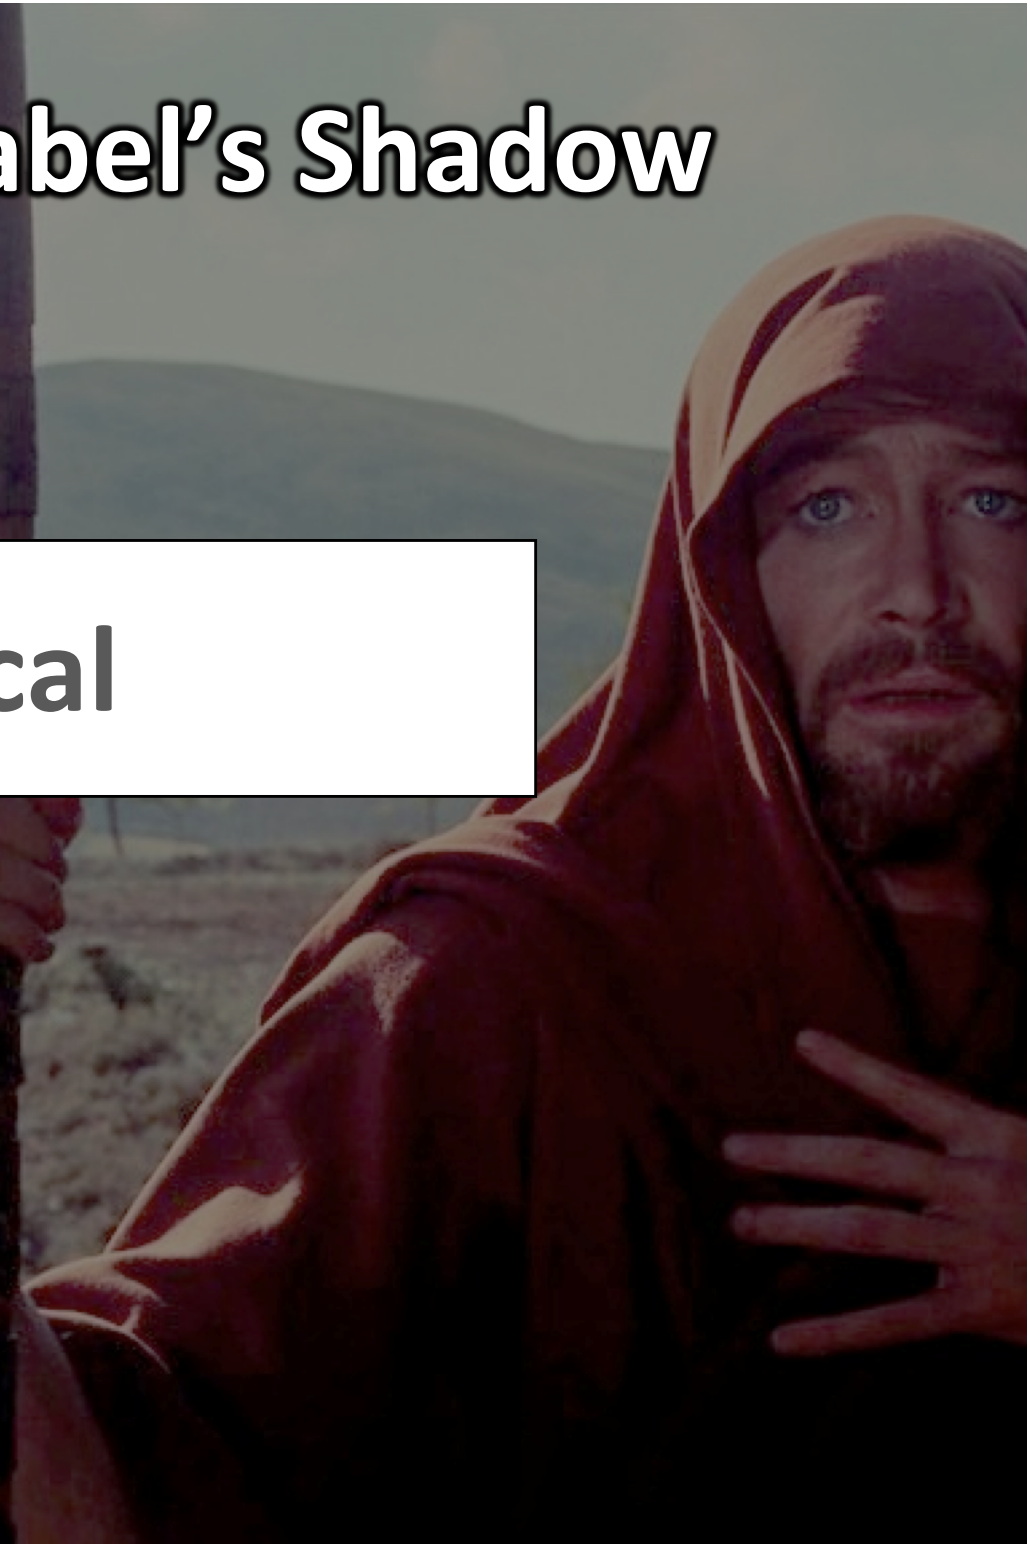

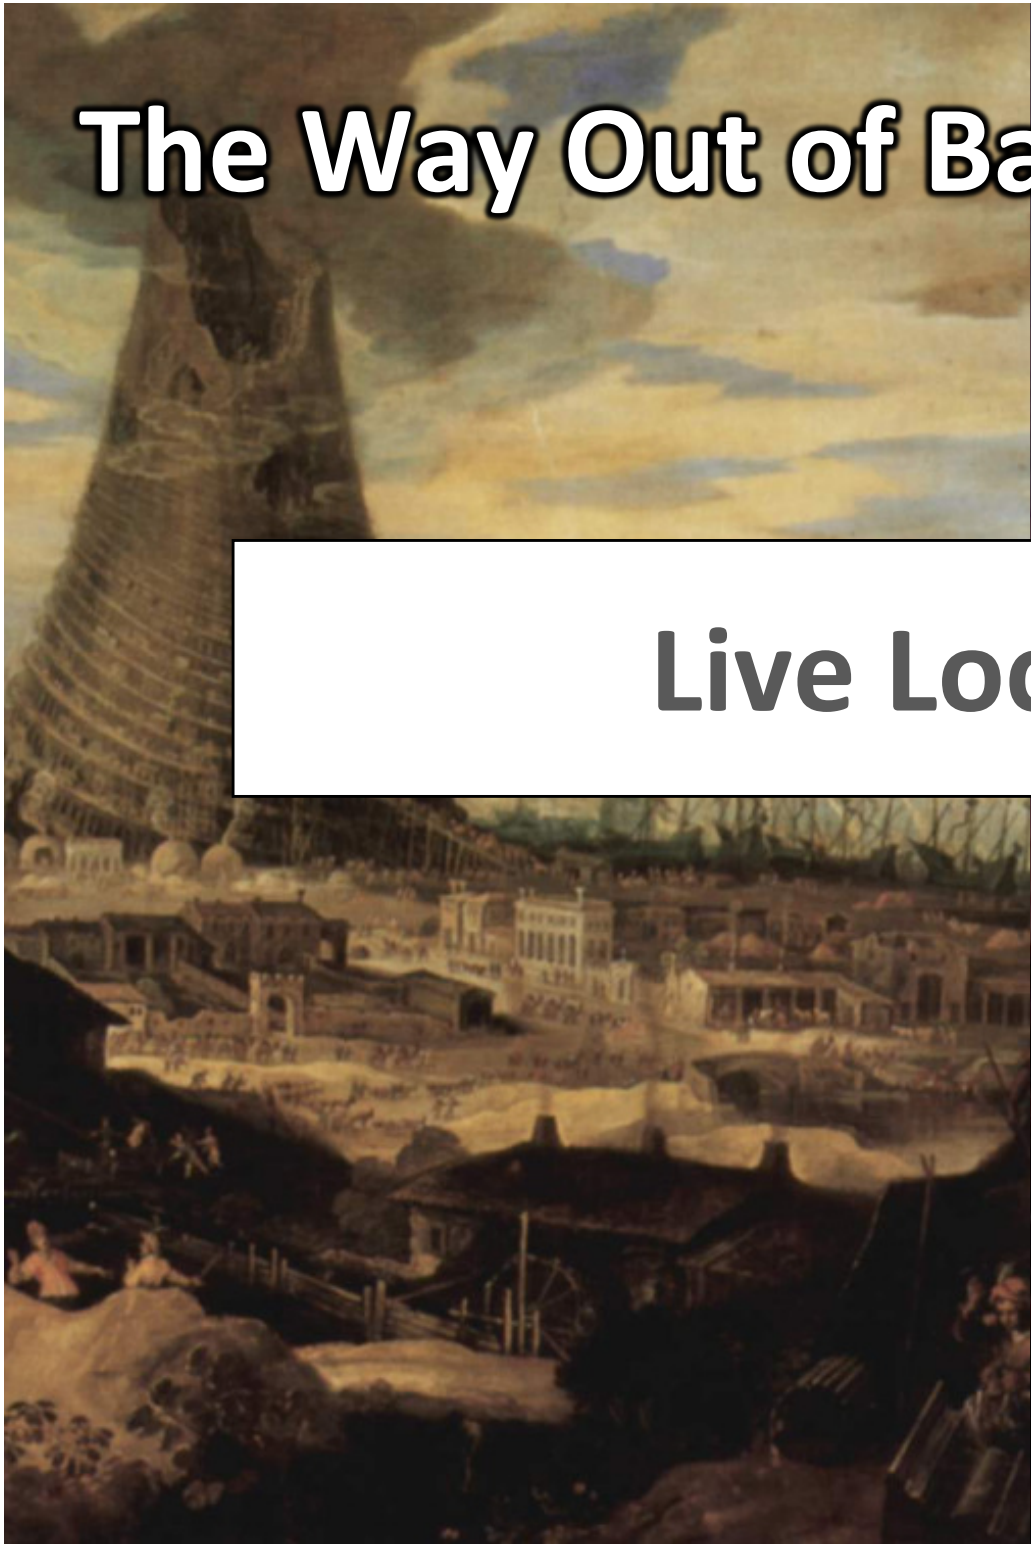

The Way Out of Babel's Shadow

Don't be too impressed
with numbers

The Way Out of Babel's Shadow

If you must build,
build and altar
