

**“Seek First
the
Kingdom
of God”**

Point #1

Our Daily Concerns

- what shall we eat?
- what shall we drink?
- what shall we wear?

Point #2

The Kingdom of God

- His specific rule over His redeemed people
- We must submit our will to His will

Point #3

His Righteousness

- the righteousness of a changed life
- quit seeking “things” and seek God

Conclusion

- Life may seem to present us with an almost endless variety of options
- But in the end there are only two
- **We either serve heaven or we serve ourselves**
- Thus all alternatives are exhausted
- The Sermon on the Mount is very clear about that!!
